

Annual Report 2017-18

8TH APRIL 2017

ASSOCIATE MEMBERS MEETING

The Associate members meeting started 15 minutes late as members quorum was not completed before 11:45 A.M. The Founder President, Dr Shobha Vijender, requested the members to be punctual and emphasized that they should reach at 11:30 A.M in every meeting. Then, she talked about 2 projects of Sampurna:

(a) Delhi School of Adarsh Toilet Mission 2016

(b) Adarsh Swachha Grehi Project.

Dr Shobha said that all the completed check lists should reach the head office before 10th April 2017 to ensure that the apprise of the school may be done accordingly. She further asked the members to go ahead with the Swachha Grehi project. The first step i.e. segregation of garbage may be done in all cooperative societies. Afterwards Jitender Gupta, founder General Secretary, said that it is not good that members are not giving their subscription fee on time. All executive members and associate members should pay the yearly fee before the beginning of the financial year.

Dr. Shobha Vijender requested the members to take active part in the coming Bal Sanskar Shivir. In both the centers, registration should be started as soon as possible. All members congratulated Smt Asha Jain for her newly born grandson. Kavita Singhal requested to aware the members to be the Swachha Grehi of their own.

Tea and snacks were served in the end.

5TH MAY 2017

Sampurna Appreciates the Supreme Court Order of Upholding Judgement of Death Penalty To Four Criminals in Nirbhaya Case

The Supreme Court judgment of upholding the death penalty to four criminals in the brutal gang rape case is a historical decision. It is the rarest case where Nirbhaya was raped and mutilated by 5 people including a minor. Founder President of Sampurna Dr Shobha Vijender, in a meeting with the associate members, said that this incident brought a shock wave among the citizens of India. People were in pain and tears. The members of Sampurna welcome the decision as it has reimposed faith in criminal justice system. Dr Shobha Vijender further congratulated the parents of Nirbhaya who continuously fought for the justice, not only for their own daughter, but for entire womanhood.

6TH MAY 2017

ASSOCIATE MEMBERS MEETING

Dr. Shobha Vijender, Founder President of Sampurna, welcomed the members present in the meeting. She thanked everyone to be present in the blinding sunlight and searing heat. First, she informed the members that they should be involved in the *Bal Sankar Shivir* at Rajapur and Shalimar Gaon starting from 15th May 2017. *Bal Sankar Shivir* is a regular feature of Sampurna where hundreds of school going children come and participate in day long creative activities. All the members were of the opinion that there is a new and urgent need to advertise about this camp to every street. Secondly, Dr. Shobha read the progress report of the project of the Delhi School Adarsh Toilet Mission, 2016. According to her, the mission was started on 10th May 2016 with the intension to make the toilets usable in all Delhi Government schools. It was observed that till date, school toilets had no lights, water, exhaust fans, wash basin, doors & door locks as well as soap to wash hands. Sampurna managed to visit every school

under Delhi Govt after every 15 days to check the condition of toilets. In some schools, the situation was worse. Volunteers of Sampurna tried to improve the situation by regular visits, counseling the sweepers and principals as well as providing some materials where it is needed. Dr Shobha Vijender informed that Sampurna would announce the best performing ward leaders soon.

Secondly, best schools would be awarded for their usable toilets. Dr Shobha, in her interaction regarding **Adarsh Mahila Swachha Grehi Project**, said that 143 group housing societies of Sector 9, 13, 14 and extension 13 and 14 would be included in this project. Volunteers were being trained to work in the Big Societies of Sector 15, 18, and 19 in Rohini. The **Mahila Swachha Grehi** project is very elaborate. Hence, Seema Kapoor suggested that male members should be included in the Swachha Grehi Mission. Everybody accepted this and it was decided that in **Adarsh Mahila Swachha Grehi Project**, male members would be included. It was decided that a big function would be organized at Sampurna to celebrate Nirbhaya's birthday.

Tea and biscuits were served in the end.

19TH MAY 2017

School Leaders Awarded For Their Efforts In Making The Govt School Toilets Usable

In a press conference held on 19th May, Sampurna NGO awarded school leaders, their wards and assembled Swachh leaders for their tireless efforts in supporting the schools to make their toilets clean and usable for school children. This massive macro level initiative was launched by Sampurna for clean, usable toilets in the Government schools in January 2016. The founder president of Sampurna Dr Shobha Vijender, in her key note address, said more than 3,000 Swachha Grehi participated in **Delhi School Adarsh Toilet Mission 2016**. It was observed in 2015-2016, that a large number of children in Government Schools have to use toilets without water, no exhaust fan, no tap and the most startling observation

was that there was no soap available in maximum number of school toilets. She further revealed the fact that Swachh Bharat Mission, the dream project of our Prime Minister, is the primary responsibility of every Government. But to learn the habit of keeping the toilets clean and usable is the responsibility of every stakeholder which includes children, parents, Non-Government efforts, PTAs etc.

She congratulated the Vidhansabha Leader Shivani and her leader Ms. Nirmala for winning first prize in the great service to the nation by assisting through their regular visits to toilets of schools and ensuring that they were being maintained by the school management in the best way possible. If any discrepancy is found in the schools, the self-help group has tried to pull in the local donors to do the needed work in the toilets.

An overwhelming situation was observed in Delhi— toilets in the schools situated in the slum areas were in a terribly bad shape. The overall situation of school toilets was good in prominent areas of Delhi. However, urbanized village were facing an acute problem of water, sewer, electricity etc to name a few. In most of the school toilets, there was no provision of soaps.

Shivani, while sharing her experience before the media persons, said that her area of working is basically of middle and upper middle class. However, the school children were coming majorly from urbanized villages and slums. As such, most of them had either dirty or no toilets in their homes. Thus, Children were trained by their team to use the toilets.

Another experienced and active leader of the project - Anil Goel - suggested that Delhi Government should allow the volunteers of Sampurna to intervene and support the toilets in South Delhi including places like Tughlakabad, Badarpur and Devli. Toilets in these areas did not have a sewage system and instead, septic tanks were being used, which were not only unhygienic but risky too.

Madhu Das and Anand Dahiya who are the leaders of East Delhi, replied in the conference that awareness program was conducted in East Delhi and proper implementation would start from 1st July 2017 in all schools of Delhi. During the question answer session of the media, Dr Shobha Vijender answered that Smt Chitra Aggarwal, who is the Councilor from Ward no. 58 N, is the winning School leader and her sincere visit to the school toilets has led to the school toilets being much cleaner.

Finally, the results were announced. The first prize was bagged by Nagar Nigam Pratibha Vidyalaya, Prashant Vihar, B Block. The second prize was won by MCD Pratibha School, Sector 9, Rohini while the third prize went to MCD Primary School, Naharpur, Sector-7, Rohini.

At the end, tea and snacks were served to the media and members of **Delhi School Adarsh Toilet Mission 2016.**

1ST JUNE 2017

Sampurna Salutes The Sacrifice Of Shri Ravinder, E- Rickshaw Driver, Who Laid His Life To Realize The Dream Of Swachh Bharat

Sampurna, held the meeting to condole the death of Shri Ravinder who sacrificed his life for Swachh Bharat and decided that if the family and dependents of Late Shri Ravinder face any difficulty in the sphere of work of Sampurna, they should be given all assistance possible.

The speed with which Delhi Police has been able to trace the attackers of late Shri Ravinder so quickly, proves sincerity of the Delhi Police and zero tolerance of the force against the crimes in Delhi. Sampurna complements and congratulates Delhi Police for the same.

Sampurna has also passed a resolution that North Delhi Municipal Corporation has done a commendable job by providing employment to the widow of late Shri Ravinder. It was also recommended that the North Delhi Municipal Corporation should name a road or a park within its area after late Shri Ravinder to awaken the consciousness of the people for their commitment towards Swachh Bharat Abhiyan.

5TH JUNE 2017

Save Environment Movement by Sampurna

Sampurna NGO sponsored Adarsh Mahila Swachha Grehi Abhiyan to celebrate World Environment Day on 05 June 2017. It is to be noted that Sampurna is running **Delhi School Adarsh Toilet Mission 2016** in approximately 2700 Govt. schools of Delhi. Sampurna is also initiating the management of 153 Group Housing Societies with the following goals

- (a) Segregation of garbage
- (b) Installation of Solar Panels
- (c) Water Harvesting
- (d) Use of Cotton Bags.

Most of the Group Housing Societies of Rohini have started practicing segregation of garbage in their homes. The Swachha Grehi of Rohini Vidhan Sabha, Shivani Gautam motivated the children of Antriksh Apartment to propagate segregation of garbage through poems, dramas and fancy dress shows.

The children, who participated in the celebrations as well as the judges, appreciated the ideas of the children showing many ways to protect the

environment. Top three contestants were awarded prizes. The remaining competitors were awarded certificate of appreciation.

Under the comprehensive project for improvement of environment in totality, in Antriksh Apartment, pits were dug in the field with technical assistance and expertise from a renowned institution to produce green manure from vegetable and other biodegradable waste of the society, by segregation.

Dr. Shobha Vijender, founder president of Sampurna, appealed to the gathering of women to create an atmosphere in their society and neighborhood for total cleanliness and to plant trees.

Shivani Gautam, Founder, New Town (Antriksh Apartment) Adarsh Mahila Swachha Grehi Abhiyan, thanked the children, their families and the dignitaries for their encouragement extended to the Adarsh Mahila Swachha Grehi Abhiyan.

The function ended with the service of chat, pakora, sweets, Kanjhibada and jaljeera prepared by the famous halwayis of Chandni Chowk.

9TH JUNE 2017

North Delhi Municipal Corporation Will Fully Support ‘Beti Bachao Beti Padhao’ Campaign of Sampurna

Sampurna organized a grand reception for all the newly elected Municipal Councillors from Shalimar Vidhan Sabha- Shri Tilak Raj Kataria, Smt Renu Jaju, Smt Anju Jain and Shri Surjeet Thakur- at its Shalimar Bagh Center. Dr Shobha Vijender, Founder President of Sampurna, along with the members of its managing committee, social workers of the area, distinguished personalities, volunteers and beneficiaries of Sampurna participated in the function.

In the beginning of the ceremony, Dr Shobha Vijender explained in detail about ‘*Beti Bachao Beti Padhao*’ campaign being run by Sampurna. The newly elected Municipal Councilors of North Delhi Municipal Corporation assured their full support for the same. Dr Shobha Vijender highlighted the problems related to all the four wards of which sanitation, maintenance of roads and property tax; were prominent. Along with this, she personally explained some of the schemes being run for all sections of the society.

The Municipal Councilors mentioned that they are fully aware of the activities related to social service being carried out by Sampurna. The beneficiaries said that Sampurna has played an important role in improving their socio-economic conditions.

The Corporators assured their full support in future for social schemes being run by Sampurna. They said that they are aware of all the local problems of their wards related to North Delhi Municipal Corporation and are in constant touch with the concerned officials for their solutions. They have issued clear instructions to field staff of their wards that they will not tolerate any deficiency in works of public welfare and will not hesitate to recommend action as per service rules against them for their irresponsible acts.

The function ended with light refreshment and tea.

10TH JUNE 2017

ASSOCIATE MEMBERS MEETING

Founder President Dr. Shobha Vijender welcomed all the members for their benign presence in the meeting. She told the members that 20th June was fixed for the valedictory programme for the *Bal Sanskar Shivir*. More than 100 children were participating in the camp. Swachha Greh programme was also being implemented and more and more societies were being motivated to start segregation of garbage. The managements of societies were also coming forward.

The 22nd June, 2017 was fixed for finalizing the VLs (Vidhan Sabha Leaders) for the upcoming second year of the project. The coordinators reported that they were working very hard to make the project a success. The huge numbers of volunteers were satisfied with the progress of the project. Dr. Shobha Vijender was personally supervising the project. The two training programmes with women organization FICCI have been finalized on 14th June at Rajapur and Shalimar Bagh. The President and executive members were looking after these programmes with the help of the teachers. It was decided that Sampurna would also organize *Yog Shivir* on the eve of the coming International Yog Diwas. Everybody in the meeting gave their confirmation.

Tea and Biscuits were served in the end.

14TH JUNE 2017

Opportunity For Women From Financially Weaker Sections To Be Self Reliant With Efforts Of Sampurna

Sampurna NGO organized an orientation session for providing jobs to 80 women under training at its Shalimar Bagh and Rajapur Centers. Management of Sampurna and activists of Om Innovation Company and FICCI FLO participated in these orientation sessions.

First of all, team of officials from Om Innovation Company visited Shalimar Bagh and Rajapur Centers of Sampurna to offer jobs to the interested girls and women and also apprised them about the activities carried out by the company.

The officials informed that the interested girls and women who were 12th passed will start getting salary of Rs. 7,500 from fourth day of 10 day training. The officials also informed that salary will be paid through cheque. They will also be eligible for additional incentives as per rules of the company.

Girls under training with Sampurna actively participated in the orientation sessions. All were happy with the experience. The company officials also informed that interested women willing to serve as per terms and conditions of the company can report to the company on 19th June 2017 with their application and testimonials.

Sampurna thanked officials of Om Innovations for offering jobs to the women trained by the NGO and hoped that the company would continue to assist Sampurna in future also to support Beti Bachao Beti-Padhao campaign of our Hon'ble Prime Minister Narendra Modi.

Sampurna thanked international organization **FICCI FLO** for their participation in the programme.

20TH JUNE 2017

Valedictory Function Of Bal Sanskar Shivir Organized By Sampurna

Valedictory function of 40-day *Bal Sanskar Shivir* was organized by Sampurna at Maharana Pratap Community Center, Rajapur Village, Sector-9, Rohini, Delhi, 110085. This *Bal Sanskar Shivir* had commenced on 15th May 2017.

During the 40-day *Bal Sanskar Shivir*, children were imparted training in various arts and activities like Art and Craft, Sewing, Embroidery, Moral Education and other activities. All the children actively participated in these activities organized during the *Bal Sanskar Shivir*. Sampurna has been organizing such *Bal Sanskar Shivirs* for last several years and will continue holding such Shivirs in future as well to motivate children.

On the occasion, the participating children enacted a drama to convey the message of segregation of garbage which is an essential part of Swachh Bharat

Abhiyan which is close to the heart of our Prime Minister Narendra Modi. The management and volunteers of Sampurna and the children appreciated the message on segregation of garbage conveyed by the characters of the drama. Some children also presented a cultural programme. Municipal Councilors, Shri Alok Sharma, Smt Chitra Aggarwal and Smt Ritu Goel who were present on the occasion also supported and encouraged the participating children.

Dr Shobha Vijender, Founder President of Sampurna, was the Chief Guest of the function. In her address, she said that Sampurna has been actively working for the development of children and will continue to discharge its responsibility of bringing out their talent in future as well.

At the end of the programme, the children were served delicious snacks and cold drinks.

8TH JULY 2017

ASSOCIATE MEMBERS MEETING

Due to heavy rain, the turnout of members was quite less. However, members were quite enthusiastic regarding Swachha Greh mission. Dr. Shobha Vijender, Founder President of Sampurna, greeted the members. According to the report of the conveners, Dr. Shobha Vijender said that Swachha Greh in sector-13 and some of the societies of sector-13 are doing well. They have started segregating the waste as dry and wet waste. However, in some of the societies, there is reluctance from management side. Dr. Shobha Vijender suggested that we should keep a workshop on '**Segregation of Garbage**' in future to discuss and motivate the management and RWAS to start segregating the garbage. It was agreed upon by everyone.

Shivani, VL from Rohini requested to list out the Macro Level Programs. North Delhi is doing exceptionally well in this project. Dr. Shobha informed that they

have started a project on '*women security*' in which Sampurna is going to every segment of population to offer solutions on women security.

Ms Tanvi talked about the completion of courses in Shalimar Bagh Center.

Tea was served at the end.

13TH JULY 2017

Protest By Sampurna At Janter Manter

A peaceful meeting led by Dr. Shobha Vijender, Founder President of Sampurna was held at Janter Manter to pay homage to the Amarnath Yatris who lost their lives in Anantnag and to warn terrorist organizations behind killing of these innocent Yatris and those who provide them social, financial and moral support. A large number of intellectual and distinguished citizens associated with social organizations of Delhi actively participated in the peaceful meeting.

Shri Goswami, supported by advocates in this unprecedented meeting, appealed to the Government to award death penalty to those responsible for this heinous crime. Former Deputy Mayor of North Delhi Municipal Corporation, Dr. (Prof.) Neelam Goyal, also condemned killing of innocent Yatris by the terrorists.

All distinguished citizens present in the meeting, while paying their homage to the departed souls, warned countries like Pakistan and China that India will not tolerate treason and terrorism at any cost.

Dr. Shobha Vijender in her short but fiery address said that she wants to ask so called organizations fighting against human right violations if the Amarnath Yatris killed and injured at Anantnag had no human rights? Why have these human right organizations not organized any candle march in support of the killed Yatris from the corridors of Janter Manter?

She said that Amarnath Yatra is not only a matter of religious faith, but also symbolizes Hindu, Muslim and Sikh brotherhood, unity and integrity of India. Therefore, to create hurdles in Amarnath Yatra is to challenge the unity and integrity of India and strict action be taken against terrorists and those aiding them in this heinous crime.

In the end, Dr. Shobha appealed to those present in the audience to inculcate the feeling of nationalism in their families, particularly the children.

12TH AUGUST 2017

ASSOCIATE MEMBERS MEETING

Dr. Shobha Vijender, Founder President of Sampurna, presided over the meeting. She welcomed the associate members and raised the issue of Delhi School Adarsh Toilet Mission. Her observation was that some of the Vidhansabha Swachha leaders were doing exceptionally good but in some of the assembly area volunteers and leaders were not taking proper interest.

An associate member, Jitender Gupta, was of the opinion that we ought to tell the names of the VSLs who are not working as desired. However, Dr. Shobha Vijender said that this is a volunteer work and that we should respect the volunteers. We should try to motivate the leaders again.

Later Dr. Shobha told the executive members that they should work hard in making the UTC a success. This was the 1st time that UN Habitat and UN Women were associating with Sampurna so the members were requested to be more attentive as this event would be highlighted to the world.

Dr. Shobha asked the President to organize a workshop in Rohini, Head Office on women security to find out community based solutions. She said that on 11th Sept, we would keep the workshop and invite the RWAS to participate. She requested that all associate members should immediately start working on that.

Tea was served in the end.

12TH AUGUST 2017

Sampurna Organizes A Workshop On Segregation Of Garbage

On the auspicious occasion of Independence Day, Sampurna organized a workshop on various programmes being run by the NGO under its **Adarsh Mahila Swachha Grehi Abhiyan**.

The workshop was inaugurated by Sampurna Founder President Dr Shobha Vijender with lighting of ceremonial lamp. Dr Shobha Vijender, in her address, explained in detail about Segregation of Garbage, Water Harvesting, Solar Plant and Use of Cotton Bags. She also informed that **Adarsh Mahila Swachha Grehi Abhiyan** was launched by Sampurna in 143 Cooperative Group Housing Societies of Rohini. She appealed everyone present on the occasion to support the campaign of clean, green and pollution free Rohini.

During the workshop, a presentation was also given on the issue of segregation of garbage. A quiz competition was also organized through which accurate information was provided on the subject of cleanliness as well as green and pollution free environment to the people gathered on the occasion. Everyone appreciated the workshop and assured that they will make every possible effort to maintain cleanliness and greenery in their surroundings.

Smt Asha Jain, Vice President of Sampurna, Sampurna Executive Members and the volunteers thanked all the guests from the core of their heart for participating

in the workshop and assured them that with their support, Sampurna will strive for clean, green and pollution free Rohini.

The workshop concluded with serving of delicious snacks and tea.

23RD AUGUST 2017

Our Muslim Sisters will now have equality of gender and respect in society.

- Dr. Shobha Vijender

NGO Sampurna which has been working for women empowerment for last thirty years warmly welcomed the verdict of hon'ble Supreme Court declaring *triple talaq* for muslim women as unconstitutional. Dr. Shobha Vijender, founder president of Sampurna, in a press release, said that this will bring positive change in the society for our Muslim sisters. *Triple Talaq* to a women aged 50 years in the name of shariya was a cruel and destructive custom. Prevalence of such a custom, even 70 years after India attained freedom was a question mark for the respect and dignity of Muslim women and therefore, Sampurna gratefully welcomes this unprecedented and historic Supreme Court verdict.

28TH AUGUST 2017

Sampurna Commends Indian Judiciary For Sentencing Baba Ram Rahim To 10 Years In Prison

Referring to the sentence of 10 years imprisonment awarded to Baba Ram Rahim alias Gurmeet Singh, head of *Dera Sacha Sauda*, convicted by CBI Court in a rape case, Sampurna Founder Dr Shobha Vijender and all its volunteers have

praised the judgment of the court and have said that Indian Judiciary have touched new heights in maintaining moral values and dignity in the society. However, they also added that sentence prescribed for crimes like rapes is inadequate and need to be revised to meet the requirement of present times.

They said that betrayal by *babas* like Gurmeet Singh to whom the followers and the society has given everything, cannot be tolerated. Such crimes should have minimum of life imprisonment or death penalty so that no offender dares to commit such a heinous crime with a woman as head of a sect or religious head or head of *dera*.

Dr Shobha Vijender, after consultation with volunteers of Sampurna, said that hearing of heinous crimes like rape should be in fast-track courts on day-to-day basis and the minimum sentence should be life imprisonment or death penalty. It should be known that it took about 15 years to complete hearing in Baba Ram Rahim case which is too long by any standard. The mental stress and strain along with the suffering women might have gone through during these long years and the threat they would have received cannot be imagined.

Dr Shobha Vijender said that Govt should ensure that hearing of such cases should be completed in the shortest possible time and offenders should be awarded strict punishments.

9TH SEPTEMBER 2017

ASSOCIATE MEMBERS MEETING

Dr Shobha Vijender, Founder President of Sampurna, took the associate members meeting. The associate members were enthusiastic about **Delhi School Adarsh Toilet Mission 2016**. They shared their experiences regarding visiting toilets of Delhi Govt schools.

A meeting with the Director of Education was held with the ward leaders. The open discussion brought many solutions. Sita Ji, one of the ward leaders, told the members that she is welcomed in every school because they believe that volunteers of Sampurna are bringing a significant change in the conditions of toilets. Dr Shobha Vijender motivated them further by appreciating their efforts.

Ms Tanvi told that 80% of the speakers are finalized so far. But there are many more arrangements that need to be done. She requested everyone to register themselves for the event at Constitution Club. Madhumalti, one of the members suggested that Head Office should be renovated. Dr Shobha Vijender requested that small outreach programme should be initiated to aware the masses about safety of women and children. In 21st century, cities are facing a huge problem of juvenile crimes and juveniles. The beneficiaries' numbers need to be enhanced in both the centers.

Tea and snacks were served in the end.

22ND SEPTEMBER 2017

Sampurna Organizes a Seminar for Making Delhi a Women Friendly City

Sampurna, in association with UN Habitat and UN Women, organized a two-day seminar on '*Making Delhi a Women Friendly City*'. The seminar, spanning over 22nd - 23rd of September, 2017, was held at the Constitution Club of India, New Delhi.

The programme was inaugurated with lighting of the ceremonial lamp by Dr. Shobha Vijender, Founder President of Sampurna. During her welcome speech, she stressed on the need to come together as a community, collaborate, put in the required effort, and brainstorm on possible solutions and recommendations, in order to achieve the desired objective. At the very outset, Dr. Vijender stressed on the need to understand the difference between security and safety; while the former is more tangible, the latter is a feeling, and more abstract in nature. Her speech was followed by speeches from the other dignitaries of the Panel.

Mr. Hitesh Vaidya, the Country Manager, India for UN Habitat, appreciated the efforts of Sampurna for starting a campaign which sought to mobilise and build the capacity of a diverse set of stakeholders on the use of various approaches and tools for women safety. UN Habitat believes that '*a safe city is a just city*'; having

said this, it is welcoming to note that Delhi has decided to revise its Master Plan wherein, safety and security of women will now be included.

Anju Pandey, Programme Specialist, UN Women, emphasized the need for a paradigm shift in the lens through which we look at the need for safety of women; instead go saying that women should be respected because they are ‘women’, they must be respected for the reason that they are human beings; safety of women must be now viewed from the right perspective. Drawing on the distinction between safety and security as spoken of by Dr. Vijender earlier, Ms. Pandey said that the lack of safety is a source of constant fear. It is this constant form of covert terror which needs to be tackled. All forms of sexual violence are so prevalent, that it has been normalised. There is an urgent need to revamp our thinking and practices, so as to bring about a new normal. It is imperative to ensure voice, choice, agency and security of all women.

Prof. Raj Kumar, Vice Chancellor, O.P. Jindal Global University, was the knowledge partner for the event. He was so moved and overwhelmed by the thoughts that had been shared that he offered to continue this project till it reaches the last stage where policy makers incorporate the recommendations that emerge out of this seminar.

The Plenary Session dealt with the issue of Current Policy and Legal System on Women Safety. Dr. Sanjeev Sahni, Director of Jindal Institute of Behavioural Sciences said that every individual shares their experience from ages 0-7, which is usually almost entirely shaped by the parents. Therefore, parents play an integral role in shaping the ideas, beliefs and thinking of their child. He stressed on the importance of good parenting, which is largely absent. He also spoke about his University’s commitment to make the society balanced and equipped to share good practices, increasing knowledge on women’s inclusion and right to the city.

Dr. Udit Raj, Member of Parliament, and National Chairman of All India Confederation of SC/ST Organisation, said that we are engulfed in a day of massive caste inequalities, all pervading gendered stereotyped roles, and ugly everyday sexism. There is an urgent need for reform. However, this reform cannot be limited to just one aspect, instead, must be expanded to all forms of social reform. There is a need to ensure a much greater level of inclusive participation from women and girls. He describes in detail the best practices that the BJP Govt. adopted for ST and SC communities.

Deepender Pathak, IPS Special Commissioner, Delhi Police delivered in his speech the best police efforts to make Delhi secure for everyone including women.

The second session was chaired by Naresh Kumar, Vijay Shekhar Sharma, President PayTM, Prof Ashok Kumar, School of Planning and Architecture, Bharat Bhushan, Town Planner, SDMC, Dr. Rakhi, & Nandita Bhatt were the speakers.

During Third session –The Role of civil society & Media vibrant views were exchanged. Dr Kavita Sharma, President SAU, Omkareshwar Pandey, Editor ANI, Chandan Mitra, Pioneer were the speakers.

Fourth session which was on the topic **International Best Practices & Potential methods to improve safety in Delhi** had the following speakers: Uday Pratap Singh, VC, DDA, Dr. Kalpana Viswanath, Co-founder & CEO of Safetipin, Dr. Debjani Ghosh, NIUA & Suprabhat Majumdar, Chief Librarian, IIC.

The key stake holders, including Govt Officials, Civil Society Organizations, academicians and public representatives deliberated over a range of issues related to women safety in public spaces and otherwise. In view of the SDG 11 on

building sustainable cities and communities, SDG 5 on Gender equality and the New Urban Agenda need immediate action in Delhi.

The deliberations concluded to secure and further build on commitments to provide universal access to safe, inclusive and accessible public spaces, in particular for women and children, older persons and persons with disabilities.

23RD SEPTEMBER 2017

Two Days Seminar By Sampurna In Association With UN Habitat Presents Urban Thinker Campus Phase 2: Making Delhi A Women Friendly City

The valedictory session of Sampurna in Constitution club saw a fiery moment when recommendations were presented by the founder president of Sampurna Dr. Shobha Vijender & (Prof). Dr. Sanjeev P. Sahni, JIBS, JGU to the political class including Vinay Sahasrabudhe, Vijender Gupta and Manoj Tiwari. The recommendations, after one and a half day deliberations, need immediate intervention by the policy makers. Garima Jain, coordinator presented the recommendations before the house. The recommendations are as follows:

- Develop and strengthen policies and programmes, and allocate resources to adequately and effectively address all forms of violence against women and girls in public and work spaces.

- Strengthen existing mechanisms like the Core Committee on Women's Safety and other related Special Task Forces.
- Collect, analyse and disseminate sex disaggregated data, including social intersections, to inform the conceptualisation of the programmes.
- Develop municipality-wide plans and engender budgeting processes and initiatives which address women's safety
- Provide reliable and safe transport for diverse women and girls.
- Establish mechanisms that ensure the active and effective participation of women in decision making and leadership roles at all levels, such policy planning and resource allocation.
- Organise periodic campaigns to engage with men and boys, families and public at large on gender inequalities and violence against women and girls.
- Ensure the provision of adequate treatment and emergency shelter, transition housing and social services for women and their children, victims of violence, either through public services or by funding civil society and NGO services.
- Develop training and capacity-building across all relevant municipal sectors in the prevention and treatment of violence against women in both private and public settings.
- Collaborate with women's groups and other stakeholder to monitor and evaluate implementation of ongoing policies and programmes.
- Developing a holistic approach, including social, political and economic measures to address women's safety concerns. This would include access to land, infrastructure, housing, inclusion of the marginalized, community-driven development, investment in crime and violence prevention, citizen engagement, access to jobs and opportunities for all, education and skill building etc.

Social Education is to be imparted to make society cohesive and harmonious at large and specifically for women. The participants from the leading educational institutes and colleges were presented mementoes by the dignitaries. Dr. Shobha Vijender's press release says that one and a half day long *Urban Thinkers Campus- Making Delhi a Women Friendly City* is very educative, informative, and a fruitful discourse where the eminent academicians, judiciary, civil societies as well as social activists gathered to deliberate the thoughts and notes. The prominent among them are Hitesh Vaidya, Anju Pandey, Raj Kumar, Sanjeev P. Sahni, Dr, Udit Raj, Deepender Pathak, Monika Arora, Prof. Ashok Kumar, Dr. Kavita A Sharma, Chandan Mitra, Sanjay Jain, Amod Kanth and Dr. Sunita Reddy. Dr Shobha further added that the booklet of recommendations with the best possible programme/ projects will be published shortly.

14TH OCTOBER 2017

ASSOCIATE MEMBERS MEETING

Dr Shobha Vijender, Founder President of Sampurna, welcomed the members and wished everyone a Happy Diwali. She briefed every member about micro and macro level projects. According to her, for the last 25 years, Sampurna is rendering its services to the underprivileged section of society. Thousands of beneficiaries are benefitted through skill training. Most of them are now employed and leading a purposeful, happy life. The Family Counseling Center has the credit to unite hundreds of families but has also fought cases where women are victims of sexual offences. The number of beneficiaries who are regularly attending the centers and learning various skills is increasing but they need regular supervision and timely motivation. Shashi Jain, a volunteer of Sampurna, has shown her interest in running cotton bags movement. She said that she and Pratibha Kumar are interested to lead this project with the consent of all members present in the meeting. Dr Shobha Vijender nominated both of them to run the project both at Shalimar Bagh and Razapur Centers. Later, a small cultural

programme was organized by the members where they danced, sang songs and enjoyed. All the members lit *Diyas* made by the beneficiaries of Sampurna.

Tea and sweets were served.

Happy Diwali to all.

31ST OCTOBER 2017

Inspection Of MCD Schools By Sampurna Under Delhi School Adarsh Toilet Mission 2016

A team led by Sampurna Founder, Dr. Shobha Vijender inspected Schools of North Delhi Municipal Corporation in Chandni Chowk Vidhan Sabha Area under **Delhi School Adarsh Toilet Mission-2016**. Shri Ravi Kaptan, Municipal Councilor of the area, volunteers of the Delhi School Adarsh Toilet Mission and sanitation team of North Delhi Municipal Corporation also accompanied the inspection team.

During inspection of some schools, the team found that soap for washing hands was not available. Dr. Shobha Vijender urged the School Principals and the teachers to ensure that cleanliness in school toilets is maintained and soap is available for washing hands by the students.

Dr. Shobha talked to the students and encouraged them to keep their school, home and surroundings neat and clean. She also thanked Shri Ravi Captain, Area Municipal Councilor, Volunteers of Delhi School Adarsh Toilet Mission, Teachers and Students for their cooperation in inspection of the Schools.

1ST NOVEMBER 2017

Delhi School Adarsh Toilet Mission 2016 inspect North Delhi Municipal Corporation Schools under Rithala Vidhansabha

Under the aegis of **Delhi School Adarsh Toilet Mission 2016** being run by Sampurna, Dr. Shobha Vijender, Founder President, visited Schools of North Delhi Municipal Corporation in Rithala Vidhan Sabha Area. Shri Vinod Mahendru, area Municipal Councilor as well as volunteers of **Delhi School Adarsh Toilet Mission 2016** also accompanied her during the inspection.

Under **Delhi School Adarsh Toilet Mission** which started more than a year ago, volunteers of Sampurna did not only visit and inspect toilets in various schools but also helped them to keep clean and usable.

During inspection of schools, members of the team expressed satisfaction over the sanitation conditions in toilet of all schools. There was only one school where there was no proper facility of water. Principal of the school was requested to make appropriate arrangements for the same. Dr Shobha Vijender also appealed to the principals as well as school teachers to take inspiration from Swachh Bharat Abhiyan of our Prime Minister, Shri Narendra Modi. They must ensure that soap and clean water were available in school toilets which should also be kept clean at all the times.

In this connection, Dr Shobha Vijender also shared her thoughts about the Bal Diwas with a group of about 200 students who were taking part in preparations for the day and also inspired them to keep their schools, homes and surroundings neat and clean.

Dr. Shobha Vijender thanked Shri Vinod Mahendru, area Municipal Councilor, volunteers of **Delhi School Adarsh Toilet Mission**, teachers and students for their cooperation in inspection of schools.

2ND NOVEMBER 2017

Delhi School Adarsh Toilet Mission-2016 Inspects Toilets Of Nagar Nigam Schools Under Burari Vidhansabha Constituency

Under the **Delhi School Adarsh Toilet Mission-2016**, Sampurna Founder President, Dr Shobha Vijender visited Nagar Nigam Schools under Burari Vidhan Sabha Constituency. Municipal Councilors of the Area, Kasturba Balodi, Shri Anil Tyagi, Smt Kalpana Jha and Rekha Sinha also accompanied her during these visits.

Under the mission, volunteers of Sampurna not only visit and inspect toilets in various schools but also help them to keep clean and usable.

During inspection of schools, the team observed that the condition of toilets of almost all Nagar Nigam Schools in the area was bad and far from satisfactory. Neither water nor soap was available in these toilets and they were full of dirt. The team asked the officials and the principals of these schools to take urgent necessary measures for providing water and soap in the school toilets and see that these toilets are usable at all times.

Dr. Shobha Vijender also appealed to the principals and school teachers to take inspiration from Swachh Bharat Abhiyan of our beloved Prime Minister, Shri Narendra Modi and see that school toilets were usable and that water and soap are available for washing hands.

Dr Shobha Vijender also advised the students of these schools to learn and help in keeping their schools, homes and surroundings clean and green. She also thanked Municipal Councilors and volunteers of Delhi School Adarsh Toilet Mission for extending their cooperation in inspection of schools.

A delegation led by Dr Shobha Vijender also met Commissioner SDMC to seek cooperation for inspection of Nagar Nigam Schools under South Delhi Municipal Corporation. It was decided that the work to improve infrastructure and other improvements will start from Sangam Vihar Vidhansabha Constituency.

Director of Education Dept. said that he will start the work for improvement of school toilets from Sangam Vihar. Dr Shobha Vijender said that survey of all Nagar Nigam Schools in Delhi has revealed that 40% of the school toilets fall in Category A, 30% schools toilets fall in Category B and remaining 30 % fall in Category C. Sampurna pledges that it will help in clean toilets and, wherever necessary, caution the officers also.

Dr Shobha Vijender said that to fulfill the dream of our Hon'ble Prime Minister Narendra Modi Ji, Sampurna will leave no stone unturned to make school toilets neat, clean and usable.

3RD NOVEMBER 2017

Children are our future: If they are deprived of clean school toilets, the dream of Swachh Delhi-Swasth Delhi cannot be realized

- Dr Shobha Vijender

Dr. Shobha Vijender, Founder President Sampurna addressed a Press Conference. She informed the reporters that based on cleanliness and other parameters, a survey of 455 Schools under Delhi Government and Municipal Corporation was conducted last year. It has been found that as per these norms 40 % of Schools fall in category A, 30 % in category B and remaining 30 % in category C.

Dr Shobha Vijender, Founder President Sampurna informed that in view of this situation, her NGO is inspecting Municipal Schools in various Vidhan Sabha constituencies. During the inspection, it was found that much more efforts are

needed to be made to make the school toilets neat, clean and usable. She told that for last year and a half, the volunteers of Sampurna are visiting toilets of Govt. Schools every fortnight with a view to make them usable. A report is prepared. Dr. Shobha requested Principals of various Government Schools to create awareness among the students about how to keep the toilets neat and clean and also how to use them.

Shri Anil Goel Convenor of Delhi School Adarsh Toilet Mission in South Delhi inspected a number of Nagar Nigam Schools. East Delhi has 365, North Delhi has 760 and South Delhi has 581 Schools. Every School has almost 3-9 toilet seats but majority of these toilets lack ventilation, have broken doors, no exhaust fans, no light, broken washbasins, no soap and water. It appears that toilets were not a priority for schools at all.

Dr. Shobha Vijender has been meeting Commissioners of the three Civic Bodies and requesting them that to implement Swachh Bharat campaign of Prime Minister. It was most important to make school toilets neat, clean and usable. Departments of Education of the three Municipal Corporations and the Delhi Government should provide soap in all Government Schools for washing hands. It is also often seen that school toilet are so dirty and full of foul smell that students are forced to go out for urinating. A number of students do not use these dirty toilets throughout the day. In both these situations, it adversely affects the health of the students.

Dr. Shobha Vijender said that the students and the staff should be provided training about washing their hands properly with soap. Neat, clean and usable toilets are necessary to fulfill resolve of Swachh Delhi-Swasth Delhi.

Apprising about Sampurna, Dr. Shobha Vijender said that the NGO has been working since 1993 for women empowerment, upliftment of the downtrodden, children education in slum areas and making them self-reliant by developing their

skills. Finding insecurity among women in Delhi, Sampurna has imparted training to the women and the girls in self-defense with the help of Delhi Police and made thousands of these girls fearless. Considering the rising incidents of rapes and cases of sexual harassment, Sampurna is running a number of successful projects for women security and self-defense. A number of projects have been run for upliftment of children and the youth. So far lakhs of women have been made self-reliant by providing them training in computer education, beautician courses, stitching, taxi driving etc.

Hon'ble Prime Minister Shri Narendra Modi launched the Swachh Bharat Abhiyan on October 2, 2014, Birth Anniversary of Mahatma Gandhi. Taking forward this campaign of our Prime Minister, Sampurna decided to launch Delhi School Adarsh Toilet Mission. This Mission was launched in January 2016 and is an ambitious project of Sampurna. It was decided to make all toilets in schools of three Municipal Corporations neat, clean and usable by removing all shortcomings in these toilets and to train students in a manner that maintaining cleanliness becomes part of their lives.

11TH NOVEMBER 2017

ASSOCIATE MEMBERS MEETING

Today, Dr Shobha Vijender presided over the Associate Members meeting. The Swachhta leaders of nearby locations were also present to share their experiences. Shivani Gautam firstly took the lead to initiate the discussion. She told the members that out of 16 Assemblies in East Delhi, 13 assemblies are doing well as in every 13 assemblies, ward leaders have started working and school toilets are regularly supervised and maintained. According to Shivani, the VSLs and WSLs always request that Dr Shobha Vijender should also visit their school toilets. Hence, Shivani requested Dr Shobha Vijender to visit East Delhi more.

Nirmala Chahal, another leader of North Delhi also said that some of the VSLs and WSLs are doing excellent work but some of them need to be replaced as they are not so active. Dr Shobha Vijender answered that the coordinators could tell the members that in every ward we should also do Swachhta Rally. All the members immediately raised their hands in affirmation. Hence, it was decided that in every ward Rally would be organized to create awareness among the masses to keep their neighborhood, schools, colleges and working places clean.

The Vice President of Sampurna told the members that in the month of December, mass examination of Stitching and Beautification Course would be held. She requested the members to motivate more girls to learn skills to be able to have gainful employment. The new counselors who recently joined Sampurna Family Counseling Center were introduced to the members. Diksha and Vishakha, who did their masters in psychology, have joined us. During a small introductory session, the counselors introduced themselves. They even shared two stories where they wanted to start a mass movement regarding women security. According to them, Sampurna should take more initiative to make the society women friendly.

The volunteers were keenly interested in joining Delhi School Adarsh Toilet Mission 2016. So, Dr Shobha said that very soon a screening committee would be held to select the volunteers so that able volunteers could give their best for Delhi School Adarsh Toilet Mission 2016. Small administrative points were also discussed in the meeting.

Tea and biscuits were served to the members.

15TH NOVEMBER 2017

Under **Delhi School Adarsh Toilet Mission 2016**, Dr. Shobha Vijender, Founder President Sampurna, presided over the meeting at the residence of Rajender

Aggarwal, the Co- Convener of **Delhi School Adarsh Toilet Mission 2016**, East Delhi. She discussed about the further implementation of the project that how all Vidhan Sabha Swachhta Leaders have to execute the activities. She informed all the members that after seeing the previous year situation of Toilets in EDMC, team of East Delhi has done tremendous work this year by maintaining the toilets.

She told that all Vidhan Sabha Swachhta Leaders should direct their teams to create awareness among the students about how to use the toilets as the students coming to MCD Schools are from vulnerable locations.

In the meeting Shivani Gautam and Anand Dahiya who are the conveners of East Delhi; Ashish Katyal, Co-ordinator and Neeta Sachdeva Ji, Member of Sampurna were also present in the meeting. The other two meetings took place at Rohtas Nagar and Shahdara where other Co- Conveners Kailash Jain, Nirmal Jain with their Vidhan Sabha Swachhta Leaders - Deepak Chauhan, Deepak Jain, Sushil Chaudhary, Sarvista Nath, T.S Kahnna, V. K Sharma, Kalpana Jain, Vinod Joshi, were present.

20TH NOVEMBER 2017

Recreation Tour for Vrindavan

Sampurna organized a picnic trip to Vrindavan. Over 50 people including Senior Citizens and Sampurna beneficiaries were part of the picnic group. Picnic Trip started by bus from Maharana Pratap Community Center, Rajapur Village, Sector-9, Rohini. In the bus, participants sang bhajans, songs and also narrated jokes. After reaching Vrindavan, the participants of the trip visited Banke Bihari Ji Temple and paid their obeisance. Then they had lunch within the temple complex. All enjoyed the tasty and healthy food which was prepared and nicely served in the temple canteen.

Everyone had visited various temples in Vrindavan and appreciated its layout and went through inscriptions. Everyone gathered at the place and sang classical songs from old films. The bus trip terminated back at Maharana Pratap Community Center, Rajapur Village, Sector-9, Rohini.

The participants were very happy with the experience of this picnic trip and wanted that Sampurna should continue organizing such educative and entertaining picnic trips.

29TH NOVEMBER 2017

Delhi School Adarsh Toilet Mission-2016 Inspects Toilets of Nagar Nigam Schools Under Matiala Vidhan Sabha Constituency

Delhi School Adarsh Toilet Mission-2016, led by Sampurna Founder President, Dr Shobha Vijender, visited Nagar Nigam Schools under Matiala Vidhan Sabha Constituency. Kamaljeet Sehrawat, Mayor South Delhi Municipal Corporation and Vidhansabha Swachhta Leader Sanjay Panchal Bal and volunteers of Delhi School Adarsh Toilet Mission 2016 also accompanied her during these inspections.

Under **Delhi School Adarsh Toilet Mission**, volunteers of Sampurna not only visit and inspect toilets in various schools but also help them to keep clean and usable. This programme is being run by Sampurna in Delhi for nearly a year and a half.

During inspection of schools, the team observed that the condition of toilets of almost all Nagar Nigam Schools in the area was bad and far from satisfactory. Neither water nor soap was managed or available in these toilets. The toilets were full of dirt. Dr Shobha Vijender asked the principals and teachers of these schools to take urgent necessary measures for providing water and soap in the school

toilets and see that these toilets are usable at all times. She assured all help in this regard.

Dr. Shobha Vijender also appealed to the Principals and school teachers to take inspiration from Swachh Bharat Abhiyan of our Prime Minister Shri Narendra Modi and see that school toilets were usable and water and soap available for washing hands by the students. Dr Shobha Vijender also advised the students of these schools to learn and help in keeping their schools, homes and surroundings clean and green.

Dr. Shobha Vijender thanked Kamaljeet Sehrawat, Mayor South Delhi Municipal Corporation and Vidhan Sabha Swachhta Leader Sanjay Panchal Bal and volunteers of Delhi School Adarsh Toilet Mission 2016 for extending their cooperation in inspection of the schools.

Dr Shobha Vijender said that to fulfill the dream of our Hon'ble Prime Minister Narendra Modi, Sampurna will leave no stone unturned to make school toilets neat, clean and usable.

30TH NOVEMBER 2017

Delhi School Adarsh Toilet Mission-2016 Inspects Toilets of Nagar Nigam Schools Under Najafgarh Vidhan Sabha Constituency

Delhi School Adarsh Toilet Mission-2016, led by Sampurna Founder President, Dr Shobha Vijender visited Nagar Nigam Schools under Najafgarh Vidhan Sabha Constituency. Satyapal Malik, Municipal Councilor, Conveners of South Delhi Anil Goel and Avinash Jain, Vidhan Sabha Swachhta Leader S. K. Suman and volunteers of Delhi School Adarsh Toilet Mission 2016 also accompanied her during these inspections.

Under Delhi School Adarsh Toilet Mission, volunteers of Sampurna not only visit and inspect toilets in various schools but also help them to keep clean and usable. This programme is being run by Sampurna in Delhi for nearly a year and a half.

During inspection of schools, the condition of toilets of all the municipal schools in the area was found to be satisfactory but the condition of the road leading to Delhi Govt School near Najafgarh was very bad. Pot holes on the road get filled with water during rains and the traffic gets stuck and therefore 2000-3000 students face difficulties to reach the school. Dr. Shobha Vijender explained to the students of the schools that they should maintain cleanliness in the school, home and the surroundings.

Dr. Shobha Vijender thanked Satyapal Malik, Municipal Councilor, Anil Goel and Avinash Jain, Conveners of South Delhi and Vidhan Sabha Swachhta Leader S. K. Suman, volunteers of Delhi School Adarsh Toilet Mission 2016 for their support in inspection of the schools.

Dr. Shobha Vijender said that to fulfill the dream of our Hon'ble Prime Minister Narendra Modi, Sampurna will leave no stone unturned to make school toilets neat, clean and usable.

5TH DECEMBER 2017

Sampurna Welcomes Bicycle Riders For Their Innovative Step To Aware India

Sampurna, an NGO working for women security and empowerment for the last 25 years took pride in welcoming the two girl bicycle riders Siyali and Pooja in the premises of Sampurna, Delhi. The mission of riding from Jammu & Kashmir to Kanyakumari is to spread the message of **Pollution Free India**. Pooja and Siyali are going to create a record by riding bicycle across the country from

Kashmir to Kanyakumari starting from 1st December 2017. Today they have reached Rohini, North West Delhi. According to Dr. Shobha Vijender, Founder President of Sampurna, the young women cyclists are a live example of women empowerment. The girls belong to Pune and Mumbai in Maharashtra but their vision for pollution free country is really an impression of solidarity. A large number of children, beneficiaries and volunteers of Sampurna gathered at 2 pm chanting **Bharat Mata Ki Jai** at community centre in Rohini where both the girls were felicitated by Shivani Gautam and Asha Jain on behalf of Sampurna. The red roses reflecting happiness and harmony were presented to both the girls.

Dr. Shobha Vijender said that the message spread by young women would definitely affect the mindset of youngsters to save the country from increasing pollution. She wished the girls for their noble mission & promised that Sampurna & its volunteers would work with double force to successfully implement Delhi School Adarsh Toilet Mission 2016 and Women Security Dialogue a reality.

9TH DECEMBER 2017

ASSOCIATE MEMBERS MEETING

Dr Shobha Vijender, founder president, firstly welcomed the members and then discussed the proposed plan for Swachhta Rally. Many members were of the view that it should be planned on the eve of the birthday of Sh. Atal Bihari Vajpayee ji, the former Prime Minister of India. Hence, 23rd December 2017 was proposed to organize the Rally. The area M.L.A Shri Vijender Gupta was decided to be invited as the chief guest of the program. Dr Shobha proudly told the members that a juvenile girl was saved by the volunteers of Sampurna from getting married to a man whom the girl was not interested in, against her will by own parents. In North-West Delhi, when the volunteers of Sampurna came to know that a girl below 18 years is being forced to get married they immediately informed the local SHO and reached the venue in no time. It was such a humane act which deserves the members' claps. Dr Shobha Vijender said that if timely action had not been

taken by the volunteers, the girl could not have been saved and her physical and mental well being would have suffered. So, members appreciated the efforts of the volunteers. Later, Asha Jain, Vice President of Sampurna was also consoled as her mother died recently.

Tea and snacks were distributed in the end.

6TH JANUARY 2018

ASSOCIATE MEMBERS MEETING

Under the pleasant sunshine in the park of community center, meeting was organized. Members wanted to enjoy the sun also hence it was decided that meeting would be conducted outside. Dr Shobha Vijender, Founder President of Sampurna first of all wished everyone on New Year eve. She then reported everyone about the successful Swachhta Rally on 23rd December 2017. The members who participated in the rally were very happy and described in detail the way Rally took place in Rohini. Dr Shobha Vijender told the gathering that Sampurna is talking to residents of Prashant Vihar of C Block and Traders of B-Block market to associate Sampurna in Swachhta Mission and we would together make these 2 places ideal from Swachhta prospective. On 6th January itself, 2 meetings would be convened by Dr Shobha Vijender to discuss the major issues. The 7th January, 2018 Event- poem competition would be organized in Rohini and all the senior citizens associations have been contacted to participate and most of the arrangements have been done. Dr Shobha Vijender further motivated the volunteers to devote their energies and time for making and designing of cotton bags. On the eve of New Year, a delicious lunch was served which was enjoyed by everyone.

24TH JANUARY 2018

Sampurna Celebrated National Girl's Day: Girls Take Oath to Make India Clean

Social NGO Sampurna organized a programme at its Maharana Pratap Community Hall, Rajapur Village, Sector-9, Rohini on the occasion of *National Girls Day*.

During the programme, Dr. Aradhana Sharma delivered a talk to make girls self reliant and made them aware of their rights. She, in her address, said that today is the day for all of us to resolve for our responsibilities and social duties towards the girl child. Everyone should strive to remove all obstacles in the way of daughters who are making the nation proud by their achievements in every field. She appreciated the courage of girls and saluted them from the core of her heart.

Mrs. Asha Jain, Vice President Sampurna briefed the audience about the activities and programmes being run by Sampurna such as Computer Education, Beauty courses, stitching, embroidery, taxi driving etc. to make the women and the girls economically independent. Sampurna is also working for poverty alleviation, children education in slum areas, skill development to make dwellers self-reliant. She assured that Sampurna is always prepared to provide all possible assistance for women and the girls.

In the end, Sampurna Founder, Dr. Shobha Vijender, appealed to all the Governments to make the toilets clean and to make things like proper lighting, safe transport and quick justice available to the students and to provide safe environment for the girls.

10TH FEBRUARY 2018

ASSOCIATE MEMBERS MEETING

Dr Shobha Vijender, Founder President of Sampurna greeted the members. She requested more members to join us in the team of volunteers who go for home visits. The counselors of Sampurna requested the founder president that in the dispute cases more volunteers are needed to accompany the counselors as sometimes it is observed that members of other party get violent and furious and even Police do not support. Her point was well taken by the members. The Founder President again talked about the Hand out prepared by the team of experts on women security. She read all the points written in the draft of handout.

Jitender Gupta and Shashi Jain added 2 more points. Dr Shobha Vijender requested more members to be included in the new membership drive to make Sampurna to reach out everywhere in Delhi. Dr Vijender asked the members to nominate the convener of Tree Plantation program to be held on 22nd February 2018. Everybody suggested Shashi Jain and Pankaj Gupta, so, both of them were nominated. Dr Shobha Vijender explained in detail to the members that such a drive would not only enhance the beauty of the premises of Sampurna but it would reduce the pollution level also. Sampurna is working hard to reduce the pollution of minds by bringing more fruitful projects every month, we are now going on to help any women inside and outside home. The mindset needs to be changed at any cost. She thanked the members for their support and all had great lunch after the meeting.

16TH FEBRUARY 2018

Sampurna Safety Awareness Campaign to awaken the people of Delhi on Women Safety

Today Sampurna organized a Press meet regarding launching the series of awareness campaign in Delhi to awaken the masses on the issue of women safety.

The Founder President, Dr Shobha Vijender said that every year the Women International Day is celebrated to dedicate the day for women but unfortunately nothing concrete has come out of it. The crime against women is increasing day by day and the public apathy and indifference has reached to the extent that it seems people have forgotten the basic humanity. The recent incidence with a girl in a moving bus is the live example of indifferent attitude towards girls and women in Delhi. The executive of Sampurna has therefore decides to start a mass movement reaching to every door in Delhi to aware the masses.

Dr Shobha Vijender said that with the full proof criminal justice system we should have a mindset where we should see women not as goddesses but a human being. In the 21st century, the women security is not the issue of a Women but it is the very important issue for the entire family as well.

22ND FEBRUARY 2018

We Will Save Nature And Women: A Pledge Taken By Large Number Of People After Planting Trees In Plantation Drive Organized By Sampurna

NGO Samapurna, dedicated to total development, has resolved to make Rohini clean and green through an extensive programme of plantation. For this the NGO today organized a tree plantation drive in its centre at Maharana Pratap Community Center, Village Rajapur, Sector-9 in Rohini.

During the programme all representatives of Group Housing Societies and RWAs of Rohini and the residents planted oxygen releasing trees under the leadership of popular MLA and Leader of Opposition in Delhi Vidhan Sabha, Sh Vijender Gupta. On the occasion, Sampurna Founder President Dr. Shobha Vijender, Smt. Chitra Agarwal, Municipal Councilor of the area and District Head of Delhi School Adarsh Toilet Mission Shehri Kendra were also present.

Sh Vijender Gupta, in his address to the audience said that pollution in Delhi has become a matter of concern all over the world. That is why Sampurna has decided to plant trees like Jamun, Neem, Mango, Behera, Pahari Amla, Cinnamon etc. and also administered oath to take care of these plants. These oxygen giving plants will help to make the environment green and also help to reduce pollution in Delhi. He also urged the audience to play their effective role in fulfilling his dream of making '*Clean Rohini - Green Rohini*'. He also appreciated this initiative of Sampurna for tree plantation.

With the slogan of '**Jeevan Bachao, Jeewan Khushal Banao**', Sampurna Founder President and Former Municipal Councilor, Dr. Shobha Vijender appealed to the participants to associate with Sampurna and urged to plant at least one tree in their neighborhood and assume responsibility for taking care of the same for life. She also motivated the youth in this direction and explained the importance of reducing pollution in Delhi to fulfill the dream of making Delhi pollution free. The time ahead will be auspicious for the new generation. She administered the oath to hundreds of participants for saving nature, maintaining cleanliness and protecting women. She also appealed the audience to associate with Sampurna and participate actively in other programmes being run for the welfare of people. Asha Jain, Shivani Gautam, Sita Dudeja, Nirmala Gupta, Nirmala Chahal, Shashi Jain, Anand Dahiya, Pankaj Gupta, Brajesh Kaushik also planted trees during the drive.

On conclusion of the programme, Dr. Shobha Vijender thanked all the dignitaries and participants for making the programme a great success.

25TH FEBRUARY 2018

The Society Should Change Mind Set Towards Girls And Women

- Dr Shobha Vijender

Complimenting Swati Maliwal, Chairperson, Delhi Commission for Women for launching campaign against rapes, Sampurna Founder President Dr Shobha Vijender has said that thousands of organizations are working day and night for security of women and it is also true that besides the Govt, Police and Judiciary, there is need for the society to change mindset towards the girls and the women. But if the institutions, that are responsible to provide security and justice to them, only play politics then there is bound to be sense of anger in the society.

Dr Shobha Vijender urged Swati Maliwal to invite all organizations on the issue like curbing of rapes so that such movements prove to be a solid step for the protection of girls and women. It may be known that thousands of Sampurna volunteers are working in every nook and corner of Delhi to provide security and safe toilets. In this context, on 8th March 2018, volunteers of Sampurna will distribute handbills at 30 places of Delhi from 10 am to 11am and administer oath to all the people that they should respect girls and women and provide them equal treatment.

Dr Shobha Vijender has requested Swati Maliwal that before launching handbill drives abroad, Delhi Commission for Women should first reach out in Delhi.

26TH FEBRUARY 2018

Volunteers Of Sampurna Distributed Handbills On Women Safety and Security

A group of volunteers of Sampurna visited the markets and distributed the handbills with the message to take a vow on women safety and security in Delhi. The team went in Sector - 9, 13, 14 and 14 Extn market in the leadership of Dr Shobha Vijender, Founder President of Sampurna. While distributing pamphlets to the shopkeepers, the team leader requested the people to inculcate the points for women dignity, empowerment and safety in their day to day life.

Dr Shobha Vijender said the views expressed by our Prime Minister Narendra Modi ji in his monthly Radio Broadcast "Mann Ki Baat" that women must be strong and empowered. The PM said that it is our fundamental duty to ensure the participation of women in every field of life, whether it is social or economic.

Dr Shobha Vijender said that women empowerment could not be accomplished unless and until women feel safe in and outside home. She said that her campaign

to aware the masses and to motivate them to mould their ways while dealing with women is a very important tool to make Indian women secured and empowered.

According to her in every nook and corner of Delhi, the volunteers of Sampurna are spearheading this movement by distributing the handbills especially to male members to make women safe and secure.

10TH MARCH 2018

ASSOCIATE MEMBERS MEETING

Dr Shobha Vijender, Founder President of Sampurna today greeted the members. She appreciated the presence of members in such a large number. She firstly took the brief reporting with the conveners present in the meeting regarding Delhi school Adarsh Toilet Mission. She requested all of them to meet more frequently with the VSLs and WSLs as March is the last month to visit the schools. The Founder President then motivated the volunteers to restart their Swachha Grehi project in Rohini. It is suggested by some of the members that we could again start this project since the month of April and with the Mahila Swachha Grehi, the children could be involved in the project as “Ambassadors” of the project. Everyone appreciated the idea of Sheela Jain. The Senior Vice President Asha

Jain informed the members that leader of Hair & Skin Trade wanted to go from the month of April, 2018. Hence, a new leader is to be appointed. The cotton bags project said by Pratibha Kumar is now very slow, hence all members should keep their commitments for the same. The project needs continuous support from the community. Dr. Aradhana congratulated the President for the successful program of oath ceremony on women security at Patel Chowk Metro Station, Cannaught Place. The renowned presentations came and took oath on security on the occasion of women's day. Dr Udit Raj, M.P, Vijender Gupta, LOP, FICCI members, Amod Kanth and many more were there.

Dr Shobha thanked the members and invited them for tea.
